

OUTSTANDING AND COMMENDABLE ACHIEVEMENT

Outstanding achievement

The IEB identifies top learners by examining how they have performed across a range of subjects in comparison with their peers. Outstanding learners in the IEB are those who have been ranked within the top 5% of learners in six or more subjects and have achieved 80% or more in Life Orientation. There are 56 such learners.

Commendable Achievement

Commendable learners are those who have been ranked within the top 5% of learners in 5 subjects and have achieved 80% or more in Life Orientation. There are 48 learners in this category.

The candidates who have achieved these outstanding results are listed on the pages that follow. The IEB congratulates these candidates on their exceptional performances and wishes them well in their future careers. The IEB also commends the schools for the challenge and standard of teaching that learners of this calibre require and the support that these learners have received from their parents and supporting environment.
